

SWAPNADEEP PAL

FRONT-END DEVELOPER & UX DESIGNER

Kolkata, India 741245 | +91 62894 35076 | meswapnadeeppal@gmail.com | swapnadeep.cloud | LinkedIn

SUMMARY

UX Engineer and Interaction Designer with over five years of experience building clean, mobile-first digital products. Combines a strong technical background in full-stack web development with a sharp focus on user-centered design and AI-assisted workflows. Brings a deep understanding of complex game mechanics and player behavior to craft highly intuitive, immersive experiences for mobile and gaming ecosystems.

TECHNICAL SKILLS

Interaction & Visual Design	Prototyping & CMS (Figma, Wix)	Information Architecture (IA)
HTML, CSS, JavaScript (React)	API & AI-Assisted Workflows	Accessibility (WCAG) & SEO
User Research & Usability Testing	Product Strategy Alignment	Agile & Cross-Functional
Backend & DB (Firebase, MERN)	Version Control (GitHub, Vercel)	Collaboration

PROFESSIONAL EXPERIENCE

- Interaction Designer & Web Developer, The Company 44

June 2024 - Aug 2025

 - Lead cross functional design projects from concept to launch, ensuring high performance and user engagement for mobile and desktop platforms.
 - Apply user centered design methods to create custom themes and intuitive interfaces tailored to specific audience needs.
 - Collaborate directly with stakeholders to define product strategy and manage expectations across multiple work streams.
 - Leverage AI tools to accelerate the design iteration process and optimize code efficiency.
- UX & Web Designer, Adaan Digital Solutions

July 2021 - Feb 2023

 - Transformed complex client requirements into intuitive and easy to use mobile and web experiences.
 - Conducted usability testing and analyzed user feedback to iteratively improve interface functionality and visual design.
 - Partnered with engineering teams to ensure seamless integration of front end designs with back end systems.
 - Delivered craft and excellence by paying close attention to design systems and industry standard mobile patterns.

EDUCATION

- B.Tech: Computer Science | JIS College of Engineering

June 2017 - July 2021

 - Built a rigorous technical foundation in computer science, logic, and data analysis.
 - Developed core competencies in project management, leadership, and operational workflows to effectively bridge the gap between engineering and design.

Education continued

Higher Secondary Examination (Pure Science)

Feb 2015 - June 2017

Madanpur Kendriya Adarsha Balak Vidyalaya (H.S.)

- Graduated in the Science Stream under the West Bengal Council of Higher Secondary Education.
- Built a foundational aptitude for logic and technical problem-solving through intensive laboratory work and mathematical studies.
